

# Green steel certificate

Presented to:

## BUDMAT

st. Otolińska 25, 09-407 Płock, Poland

This certificate attests that ArcelorMittal Europe - Flat Products has saved 49 metric tonnes of CO<sub>2e</sub> and that BUDMAT has purchased 23 metric tonnes of XCarb<sup>®</sup> green steel certificates from ArcelorMittal Poland S.A. This will enable BUDMAT to report an equivalent reduction in their Scope 3 emissions in accordance with the Greenhouse Gas Protocol Corporate Accounting and Reporting Standard. DNV GL Business Assurance Services UK Limited has verified the CO<sub>2e</sub> savings and corresponding purchase of XCarb<sup>®</sup> green steel certificates.

Certificate number	CO <sub>2e</sub> savings	Certificate quantity	Issue date
6389-151	49 tonnes	23 tonnes	04 November 2022

### Independent Assurance

We commissioned DNV to provide assurance over the CO<sub>2e</sub> savings used by ArcelorMittal as the basis for issuing XCarb<sup>®</sup> green steel certificates.

## XCarb<sup>®</sup>

Towards carbon neutral steel

XCarb™ is ArcelorMittal's 'towards carbon neutral steel' transformation programme. It brings together all of the company's reduced, low and zero-carbon steel products, processes and technologies, innovation projects, initiatives and alliances in one single-minded effort to make the changes needed to get our organisation and industry to carbon neutrality by 2050.
