

**DECLARATION OF PERFORMANCE  
no 23 OC-17/13**

**1. Unique identification code of the product type:**

Attic hanger

**2. Number of type, batch or lot or any other element to identify the construction product required according to art.11 law 4:**

See the technical specification of the product.

**3. Provided by the manufacturer intended use or uses of a construction product in accordance with applicable harmonized technical specification.**

Intended application: inside buildings, installation of suspended ceiling grid.

**4. Name, registered trade mark or registered trade name and contact address details required according to art.11 law 5:**

BUDMAT Bogdan Więcek  
Otolińska 25  
09-407 Płock

**5. System or systems of assessment and verification of constancy of construction product functional properties determined in annex V:**

Assessment system 3

Building Research Institute (ITB)- Department of Research on Lightweight Partitions and Glazing:  
Research report no LL-4320/C/LL-163/K/07

**6. In case of declaration of functional properties concerning construction product covered by harmonized standard:**

**Technical Specification:** Polish Standard 13964:2005/A1 Suspended ceilings, Requirements and researches methods

**Declared technical characteristics of the product:**

Lp.	Technical characteristics	Declared value			
1	Reaction to fire	Class A1			
2	Durability	Corrosion resistance class - B			
3	Material	DX51D			
4	Steel thickness	0,80			
5	Bearing capacity – class 1		With profile CD 60 thickness 0,50	With profile CD 60 thickness 0,50	With profile CD 60 thickness 0,50
		operational	448	485	650
		destructive	1178	1460	1666
6	Type of coating	from Z100 to Z275 g/m <sup>2</sup>			

Dimensions tolerance for products are defined in PN-EN 13964:2005/A1

**7. Product functional properties defined in paragraph 3 are consistent with those declared in paragraph 6.**

This declaration of performance is issued under the sole responsibility of the manufacturer. On behalf of manufacturer signed:
