

NATIONAL DECLARATION OF PERFORMANCE
no. 33SR-1/17

1. Name and trade name of the construction product:
ProAqua PVC Gutter System
2. Designation of the type of product:
SRPA01
3. Intended use or uses:
For uses in buildings
4. Name and registered office address of the manufacturer and the place of product manufacturing:
BUDMAT Bogdan Więcek, ul. Otolińska 25, 09-407 Płock
Zakład produkcyjny - ul. Duninowska 9, 87-800 Włocławek
5. Name and registered office of the authorized producer, if it has been established:
Not applicable
5. National system used for the assessment and verification of the performance consistency:
4

7. National Technical Specification:
7a. Polish product standard:

Gutters and equipment (accessories) - PN-EN 607:2005 2005 "Roof gutters and elements of PVC-U equipment. Definitions, requirements and tests.

Drain pipes and accessories - PN-EN 12200-1:2016-05 Plastic piping systems for rainwater for external applications above ground level

Unplasticized polyvinyl chloride) (PVC-U)

Part 1: Requirements for pipes, fittings and systems"

Gutter brackets (hooks) - PN-EN 1462:2006 Gutter brackets for roof gutters. Requirements tests

Name of accredited certification body, accreditation number and national certificate number or name of accredited laboratory(s) and accreditation number:
Not applicable

7b. National Technical Assessment:
Not applicable

Technical Assessment Body/National Technical Assessment Body:
Not applicable

Name of the accredited certification body, accreditation number and certificate number:
Not applicable

Budmat.

8. Declared performance:

For system components made of PVC-U		
Essential characteristics of the construction product for the intended use or uses	Declared performance	Remarks
Tensile strength	> 42 N/mm ²	
Elongation at break	> 100 %	
Impact tensile strength	> 500 kJ/m ²	
Vicat softening point	75°C	
For system elements made of galvanized steel sheets with organic coating - gutter brackets (hooks) and drain pipe brackets (clamps)		
Essential characteristics of the construction product for the intended use or uses	Declared performance	Remarks
Thickness of the zinc coating	> 20µm	
Load capacity class of gutter brackets (hooks) made of PVC-U or galvanised steel sheets with organic coating		
Essential characteristics of the construction product for the intended use or uses	Declared performance	Remarks
Load capacity class of gutter brackets (hooks) for gutters for width (upper part) > 80mm	H	
Load capacity class of gutter brackets (hooks) for gutters for width (upper part) < 80mm	0	

9. The performance of the specific product-type shall be in conformity with all the declared performance listed in point 8 This national performance declaration has been issued in accordance with the Act of 16 April 2004 on construction products, under the sole responsibility of the manufacturer.

Signed on behalf of the manufacturer:

Marek Wiśniewski

Deputy Director of the Product Innovation Department
